 - j) Directly observed treatment/therapy short-course (DOTs);
 - k) Fitness-to-travel checks; and,
 - l) Other technical areas as may be required.

2. Supervise all daily nursing and administrative activities, namely:
 - a) Assign tasks to Migration Health Nurses.
 - b) Monitor pre-examination information sessions, counselling, history, follow up and vital signs taking; verify that nurses and medical clerks enter information into relevant databases in a timely and accurate manner, in accordance with their specific functions; and,
 - c) Facilitate and monitor implementation of fraud-prevention measures, including testing performed outside of the MHAC.
3. Contribute to the establishment and maintenance of an optimal workflow at the health assessment site by suggesting and implementing improvements to facilitate timeliness of completion of nursing and clerical tasks.
4. Verify that all migrant/refugee identity check mechanisms are well established and followed.
5. Implement quality assurance and quality control measures for nursing and clerical activities; participate in writing SOPs (Standard Operating Procedures) and instructions as well as staff training.
6. Verify that SOPs, checklists and standard universal precautions within MHAC are followed.
7. Check that the MHAC pharmacy, stock, medical kits and emergency kits within the MHAC and for medical escorts if applicable are well maintained according to guidelines and SOPs.
8. Coordinate, follow up and verify procurement for MHAC – including purchase orders, payment requests and invoices.
9. Gather and analyze administrative reports and program updates as necessary; report any inconsistencies or issues to the Chief Migration Health Officer or Migration Health Nurse Officer.
10. Coordinate the planning and execution of mobile missions if applicable.
11. Coordinate, and perform if needed, the medical escort duties when required to ensure migrants receive continued care throughout all phases of migration (before departure, during the journey and at the final destination).
12. Gather and analyze statistical information and share with the Migration Health Nurse Officer or CMHO as per pre-set and agreed upon format.
13. Maintain collaborative relationships with various partners to facilitate the follow up and relevant information sharing. Partners include internal IOM departments, other health providers, panel physicians, Embassies other UN agencies or NGO's and others as applicable.
14. May have responsibility for direct supervision of a designated team.
15. Perform other duties as may be assigned.
